## EXPERIENCE

### WEB DEVELOPMENT INTERN | OASIS INFOBYTE

Present | Remote (Visakhapatnam)

- Developing the provided tasks using **HTML**, **CSS**, and **Javascript**
- Making a responsive and a mobile friendly webpage

## RECENT PROJECTS

### STUDENT MANAGEMENT SYSTEM WEBSITE

ANDHRA UNIVERSITY COLLEGE OF ENGINEERING

Team-size:5

Developed a complete website using **Frontend** and **Backend** technologies.

Developed a website by taking our college website as reference.

Have used **HTML**, **CSS**, and **JavaScript** as frontend tools.

Used **Firebase** to store the data and **PHP** for backend.

### ONLINE EXAMINATION

ANDHRA UNIVERSITY COLLEGE OF ENGINEERING

Team-size:5

Worked on **HTML**, **CSS** and **javascript**, created home, login, examination portal, new registration pages.

Developed a fully responsive website.

Used **Firebase** to store the data.

Used **Bootstrap** to make the pages responsive.

### TOURISM

Used **HTML**, **CSS** and developed a tourism webpage in order to display the detailed view.

It contains all my favourite places.

Used **Bootstrap** to make the pages responsive.

### SELF DETAILS

Used **HTML**, **CSS** and created my first website with my details embedded in it.

It acts as a mini-portfolio website.

Used **tables** feature to represent the details.

## ACHIEVEMENTS

- Secured 93.2 percentile in JEE Mains examination
- Scored a rank of 10985 in AP EAMCET examination among 1,50,000 members who appeared for the examination.
- Secured 3rd position in an inter quiz competition conducted by our school
